

Business Seminars

In today's challenging industry environment, quality information is crucial in order to make informed business decisions but where do you get it? For well over a decade, knowledge building 'Business Seminars', run by the MVP Business Solutions team at venues across the region, have provided collision centres with access to valuable information and more.

Attending an MVP Business Solutions 'Business Seminar' is an investment in the future of your business. It's a rewarding experience where you can gain valuable insight from expert industry presenters on a wide range of current industry topics. Overall, the aim is to deliver quality information which is thought provoking, often challenges current thinking and provide you with opportunities. Indeed, you come away with effective strategies and tools which you can use immediately on returning to your own business.

And don't underestimate the opportunity to meet and network with other collision centre owners and managers who are also focused on developing strategies to improve business performance. An MVP Business Solutions 'Business Seminar' is the ideal way to get informed and energise your business!

Available as part of PPG's comprehensive support package, the MVP Business Solutions program is aimed at helping customers to improve performance across the full spectrum of business activities.
