

Delfleet Colour Selector is now available!

Download the **Colourpin** app from the Apple Store or Google Play

STEP 1

Download the Colourpin App to your smartphone & ensure your Bluetooth is turned ON

STEP 2

Sign into COLOURPIN & scan the QR code with the app, or manually enter code *QFN81*

STEP 3

Connect your Selemix device to the Colourpin App

STEP 4

Calibrate your device using the colour sensor

STEP 5

Follow the on-screen instructions & scan your colour!
